of guests research environmental and social practices before booking their stay

We strive to improve our world daily through community-focused initiatives, green building efforts, and energy-efficient technology.

We've reduced over 155,000 lbs. of CO2 emissions.

THE EQUIVALENT OF PLANTING 1,172 TREES

WE BELIEVE IN GREEN BUILDING

52 solar panels power our energy efficient office building

- Onzonator in laundry facilities reduce the consumption of water, energy, and detergent
- High-efficiency HVAC and windows decrease energy consumption
- Rooftop organic co-op garden reduces building temperature and stormwater runoff

WE GO GREEN FOR OUR GUESTS

We save 55,000 plastic bottles from landfills every year

- Gifted reusable grocery bags to guests upon check-in
- Environmentally-friendly toiletries and amenities in our properties
- Bulk custom blended shampoo, conditioner, and lotion to reduce single-use packaging

WE PARTNER WITH LOCAL NON PROFITS

- Summit Land Conservancy
- Mountain Trails Foundation
- Recycle Utah
- Gift of Giving Initiative

At Park City Lodging, our team cultivates a conscious attitude toward environmentally-friendly practices and endeavors to better the community in which we live, work, and play.
