OVID Hexameter

OVID Napa Valley is a singular, dynamic, and continuous experiment in terroir, nestled at an elevation of 1,500 feet on a secluded mountaintop in the western reaches of Pritchard Hill. Drawing their name from the Roman poet Ovid, whose seminal work “Metamorphoses” is a poetic retelling of the Greek myths, the winery’s path celebrates the themes of transformation and change. From a classical perspective, Ovid’s epic poem is also steeped in tradition and keeps perfect meter, reminding us that poetry is also the product of discipline, rigor, and observation.

Poised and eloquent, the 2018 Hexameter overflows with notes of plum, black cherry, violets, and forest floor. It leads to cola, boysenberry, molasses, and orange blossom aromas. This wine possesses great heft and balance, plus power and levity that will continue to tell its tale for decades to come.

➤ Three (3) bottles of 2018 OVID Napa Valley ‘Hexameter’ (WS 93) with wooden box

## Many More Memento Mori

Memento Mori is a celebrated, limited-production wine brand from Napa Valley that has been turning heads in the wine community amongst enthusiasts and critics alike. The name, Memento Mori, taken from an old Latin philosophy that reminds us of our mortality and the inevitability of death, was instead interpreted, early on, by their founders as Remember to Live - a reminder that we have to make the most out of life and since nothing is guaranteed, we should all live every day to the fullest.

Memento Mori, today, incorporates fruit from historic vineyards vetted over time, technique, and by other elite producers. Each of these legendary vineyards are world renowned and have consistently been the source behind many exceptional wines over the past few decades. The final 'Flagship' blend is composed of each site's unique characteristics - elegance, power, aromatics, texture, finish, and longevity to create beautifully balanced wines that are approachable in their youth, but have enough structure to cellar for long-term aging.

## THIS LOT INCLUDES:

- 2019 Memento Mori Cabernet Sauvignon (RP 98, WS 93)
- 2019 Memento Mori Beckstoffer Dr. Crane Vineyard Cabernet Sauvignon (RP 98+, WS 95)

## 111 OVID Napa Valley

OVID Napa Valley is a singular, dynamic, and continuous experiment in terroir, nestled at an elevation of 1,500 feet on a secluded mountaintop in the western reaches of Pritchard Hill. Here, iron-rich volcanic soils, abundant sunshine, and chaparral flora alchemize to reveal focused wines that celebrate their source. All four OVID estate wines are sourced from the winery's organically farmed 15-acre vineyard, planted in one-acre blocks with rootstock and clonal combinations of Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot, and Syrah.

Seeing less time on skins and a shorter maceration, the 2018 red blend is comprised of 78% Cabernet Sauvignon, 18% Cabernet Franc, and 4% Petit Verdot. Killer notes of blackcurrants, toasted spice, lead pencil, and loamy soil all emerge from this full-bodied beauty. With ripe, building tannins and expansive, layered, and flat-out stunning purity of fruit, this remarkable mountain wine will benefit from three to five years of bottle age and cruise for 30 years or more in cold cellars.

Arvid is passionate about art and wine: a collector of both, he strives to capture the pleasure of a life well-lived on each canvas. ## First Growth Bordeaux Wine Dinner

Join Michel Thibault and Marla Norman on February 21, 2024 for this special dinner featuring incredibly rare, difficult to source Bordeaux first growth wines. Hosted at the home of Dann & Colette Schwartz and paired with the culinary talent of Jack McGuckin, owner and executive chef of Bijoux, Michel and Marla will take you on a journey with the estates that have been designated for decades as the best in the region and by many estimates, the best in the world.

### **Petit Cheval Blanc Bordeaux Blanc**

The evening will begin with a sublime, complex blend of Sauvignon and Sémillon. One of the most prestigious properties within the Saint-Émilion appellation on Bordeaux's Right Bank, this magnificent property receives 100-point ratings for its wines year after year.

### **2018 Château Pavie and 2012 Château Cheval Blanc**

Dating back to Roman times, Château Pavie takes its name from the orchards of peaches that grew on the estate. The mostly-Merlot wines are highly rated and prized for their concentrated, intense style.

Château Cheval is one of the most prestigious properties within the Saint-Émilion appellation on Bordeaux's Right Bank, this magnificent property receives 100-point ratings for its wines year after year.

### 2009 Château Figeac and 2006 Château Margaux

Recently classified as a Premier Grand Cru Classé A property, Château Figeac traces its roots back to Roman occupation in the 2nd century. Its unique terroir is characterized by three prehistoric glaciers and gravel knolls of quartz and flint over a subsoil of iron-rich blue clay. In keeping with the nature of this soil, Figeac is a Right Bank estate with the highest percentage of Cabernet. This atypical combination accounts for wines that are elegant, long-lived, and extremely sought-after.

An estate so famous the French government has declared it a "National Treasure," Château Margaux dates back to the 12th century. The wines produced on this incredibly diverse terroir are considered some of the most elegant and refined of the region with an instantly identifiable, perfumed nose.

### 2017 Château Haut Brion and 2014 Château Mouton Rothschild

With an ancient history dating back to 1423, the estate has a long connection with the U.S. Haut-Brion wines were favorites of Thomas Jefferson, who deemed them "the very best Bordeaux wine." American banker, Clarence Dillon bought the Château in 1935 and his great grandson, Prince Robert of Luxembourg, manages the estate to this day.

Acquired by the Rothschild family in 1853, this Pauillac property flourished under the management of Baron Philippe de Rothschild, who was the first Bordeaux producer to begin bottling on the estate and later began to use the works of internationally known artists such as Picasso, Miró, Chagall, and Dali to label his bottles. The Mouton bottle chosen for this event was produced by David Hockney.

### 2012 Château Latour and 2003 Château d'Yquem

Dating back to 1331, Château Latour is named for the famous tower that has guarded the vineyards for centuries. The Grand Vin is made exclusively from "vieilles vignes" that are an average of 60 years old. This is perhaps the most celebrated of all First Growths.

Château d'Yquem is the only Sauternes given a First Growth rating, Yquem has produced wine since 1711. Today, the estate is owned by Louis Vuitton Moët Hennessy who oversee the painstaking production of botrytized grapes used to produce the lush, sweet, ethereal wines of Sauternes. This is the ultimate dessert wine!
