We recognize that every partner has unique goals for their investment. Sponsors who choose not to utilize their allotted tickets may elect to receive alternative benefits designed to enhance brand visibility, deepen community engagement, or further connect their organization to the mission of Northwest Florida Children's Foundation.

Alternative benefits may include enhanced digital recognition, mission-focused storytelling opportunities, or exclusive engagement with the Foundation and its nonprofit partners. Opportunities are tailored by sponsorship level and subject to availability and Foundation approval. Sponsors may also elect to release their tickets back to the Foundation to support strategic guest engagement and further our fundraising mission.
